Central Intelligence Agency
2430 "E" Street, N. W.
Washington 25, D. C.

Dear Mr. McCone:

Answers from your agency to the House Foreign Operations and Government Information Subcommittee's initial survey of the use of polygraphs state that certain personnel of your agency are authorized to conduct polygraph tests. In order to put the information regarding minimum qualifications of polygraph operators on a uniform basis for all agencies concerned, the attached table has been prepared and is being forwarded for completion.

Please fill out the table, providing the information for all constituent units in your agency, and return it at the earliest possible date.

Sincerely,

JOHN E. MOSS
Chairman
